Dear Food Industry Associate,

Hunger and Homelessness. These two words are really not a part of our everyday lives. But there are thousands of kids on the street who live these two words every day.

With support from people like us, Covenant House has helped over 380,000 kids since it began 28 years ago. But more help is needed. Since Covenant House relies solely upon private donations, we must continue our assistance. Providing homeless and helpless kids with food, clothing, shelter, medicine and counseling is a monumental job.

That is why we, as representatives of the Food Industry, again ask for your support. The Sixth Annual Golf & Tennis Outing is scheduled for Monday, June 23, 1997 at the Hackensack Golf Club. The ad journal for this event is the primary fund raiser and your participation is sorely needed. Thanks to you, this outing has raised over $1.8 million since it's inception five years ago.

Please take this opportunity to provide basic life services to the over 45,000 homeless kids who will seek the help of Covenant House this year alone. Your continued caring allows our most precious resource, the children, to be saved. In 1996, an average of 1,243 youths sought shelter at Covenant House every night of the year. A total of 453,695 nights of shelter were provided to our homeless youth.

With our thanks,
Food Industry for Covenant House Committee
